Message from Fr Paul: I would like to thank everyone for their well wishes and tremendous kindness over the last 8 years but particularly during these past few weeks. I am overwhelmed by the cards and gifts Masses that have been offered for me. Please continue to remember me in your prayers in the time ahead. God bless you all.

A prayer for Nepal

Loving God, Draw near to the people of Nepal in this time of fear and loss. Receive into your mercy all who have died, and surround those still waiting for news about their loved ones with your steady presence. In the silence after the rushing water, be present to every family facing loss, every community clearing a path forward and every person wondering what comes next. May we respond with compassion, generosity and courage, trusting that your love does not abandon your people in their time of need. Amen.
